4	another fake survey that's gonna end in a drawer or a paper can
5	i hope the goal is to create a new world which give a person a value and don't look at him or her as a tools
6	no survey can find out, why people aren't interested in politics anymore if people are not individually interviewed and all of their answers taken into account
7	did't understand every question; would have needed more information about democratic tools like referendums, petitions etc.
8	EU needs to inform in a simple, direct and friendly way, with practical example, how we can participate to change Europe
9	i'm not a native english speaker, so i found some questions hard to understand, and i think some of them were not clear or contained errors
10	defending the human rights act in england

12	yes
13	I am gald to help you with this research!!
14	I believe the people should be more heard and really taken into consideration, particularly the "disregarded" south europe, treated as secondary states of rhe EU - Spain, Portugal, Greece.
15	Was there some information to read before taking this survey as that wasn't offered. Little knowledge about why you are asking the questions
16	too long !
17	Is a good idea.
18	Imporant issue since I feel frustration about EU and its institutions has been growing during the last years.
19	I find the Qs biased. Eg the 'objectives of the EU'. The EU created poverty, divided its states, discards referenda (Lisbon T) and ECI (Stop-TTIP), sided with Ukrainian nazis.
